Patrick Mauro Investment Advisor, Inc. (PMIA) is an investment adviser located in Oak Brook, Illinois, registered with the Securities Exchange Commission (SEC), Washington D.C. 20549. Registration does not imply a certain level of skill or training.

PMIA's website and its content is for informational and educational purposes only and should not be considered to be investment advice or a recommendation to buy or sell any particular security. PMIA may only transact business in those states in which it is registered, or qualifies for an exemption or exclusion from registration requirements. Any communication by PMIA with a current or prospective client shall be conducted directly by a representative that is either registered or qualifies for an exemption or exclusion from registration in the state where the prospective client resides. For information pertaining to the registration status of PMIA, please contact the SEC or the state securities regulators for those states in which PMIA maintains a notice filing. A copy of PMIA's current written disclosure statement discussing Company business operations, services, and fees is available by going online via the SEC's Investment Advisers Public Disclosure (IAPD) database at www.adviserinfo.sec.gov, using SEC #801-113346. PMIA does not make any representations or warranties as to the accuracy, timeliness, suitability, completeness, or relevance of any information prepared by any unaffiliated third party, whether linked to PMIA website or incorporated herein, and takes no responsibility therefore. All such information is provided solely for convenience purposes only and all users thereof should be guided accordingly.

Certain portions of PMIA's website (i.e. client letters and market analysis, etc.) may contain prior opinions related to PMIA's positions and/or recommendations as of a specific prior date. Due to changing market conditions, such discussion may no longer be reflective of current position(s) and/or recommendation(s). No client or prospective client should assume that any such discussion serves as the receipt of, or a substitute for, personalized investment advice from PMIA. PMIA is neither an attorney nor an accountant, and no portion of the website content should be interpreted as legal, accounting or tax advice. Rankings and/or recognition by unaffiliated, third-party rating services and/or publications should not be interpreted by a current or prospective client as a guarantee that he/she will experience a certain level of results if PMIA is engaged, or continues to be engaged, to provide investment advisory services, nor should it be construed as a current or past endorsement or testimonial of PMIA by any of its clients. Rankings published by magazines, and others, generally base their selections exclusively on information prepared and/or submitted by the recognized adviser. Rankings are generally limited to participating advisers.

Past performance does not guarantee future results. Different types of investments involve varying degrees of risk, and there can be no assurance that the future performance of any specific investment or investment strategy (including those undertaken or recommended by PMIA), will be profitable or equal any historical performance level(s).

Each client and prospective client agrees, as a condition precedent to his/her/its access to PMIA's website, to release and hold harmless PMIA, its officers, directors, owners, employees and agents from any and all adverse consequences resulting from any of his/her/its actions and/or omissions which are independent of his/her/its receipt of personalized individual advice from PMIA.
